Subject: Regarding Standard Operating Procedure for Missing Children Shared by UIDAI as an addendum-reg

In reference to the subject cited above, it is informed that the Ministry of Women and Child Development, Government of India has been directed to refer to MHA’s letter no: 15011/55/2018-SC/ST-W dated 16th November, 2018 on the subject, “NHRC notice on missing children” and to draw attention towards the SOP for missing children which was issued on 23rd November 2016 by this Ministry.

It is pertinent to mention that UIDAI has now shared a Procedure for missing children. It has been requested to be issued as addendum to the existing SOP for missing children and to be circulated the same with entire State/UT so that efforts towards re-uniting missing children with their families can be more braced up.

In case of missing children found, then following procedure can be used:

a) The children in Care and Institutions, orphanages or in any other institution or found elsewhere may be enrolled for Aadhar by taking them to the nearest Aadhar Enrolment Centre. These enrolment centres are being run by Post Offices, Banks and State Government. The updated list of such Aadhar Centres are provided on UIDAI website www.uidai.gov.in

b) The required proof of identity, address and date of birth for Aadhar enrolment may be provided by a gazetted officer in charge of these institutions.

c) Alternatively, Department in-charge of these institutions at State Level may itself become UIDAI registrar and provide enrolment facilities to the children in these institutions.

d) In case of the child, prior to being lost, was already having Aadhar then the new enrolment done will be rejected by the UIDAI system being the duplicate. The UIDAI provides the earlier Aadhar to the child.
e) Based on details such as address in the already existing Aadhar, child can be identified and reunited with their guardian.

f) It is also requested that Child Welfare Committee (CWC) ensures Aadhar verification of children found. If the Aadhar details of a particular child are not available, then CWC should get that Child enrolled for Aadhar.

A copy of Standard Operating Procedure for Cases of Missing Children is attached along with the email and is also uploaded in the official website http://wcdhry.gov.in/ of Women and Child Development Haryana.

STANDARD OPERATING PROCEDURE FOR CASES OF MISSING CHILDREN
Background

The Hon'ble Supreme Court of India in Bachpan Bachao Andolan vs. Union of India (WP (Civil) 75 of 2012) on 10th May 2013 had directed formulation of a **Standard Operating Procedure for cases of Missing Children**. The Juvenile Justice (Care and Protection of Children) Act, 2015 under section 2 (14) (vii) includes a ‘Missing Child’ as a child in need of care of protection and in Rule 92 of the “Juvenile Justice (Care and Protection of Children) Model Rules, 2016”, a procedure of inquiry regarding a missing child has been laid down.

Objective

This Standard Operating Procedure (SOP) envisages to assist Police, Child Welfare Committee and Juvenile Justice Board in dealing with the cases of missing and found or recovered children. The Objective of the SOP is to put in place guidelines while dealing with cases of missing children and to work in coordination with stakeholders and respond with urgency to issues of missing child. Ensure expeditious and effective law enforcement including prosecution. Create mechanism and systems to prevent further victimization of missing children. Ensure that appropriate and timely protection/care/attention is provided to victims/witnesses.

Dimensions to understanding the concept of “missing child”

Generally stating, missing children are usually children who are separated from the parents/family/guardian. However, this SOP also includes within its purview procedures set out in relation to those children who may have been found/traced by the Police, CWC, Childline or any other organization and/or individual till their parents/family/guardian is traced and the child is restored. Some of such children may have been subsequently residing in Child Care Institutions (“CCI”).

Thus, for the purposes of the procedures set out here under this SOP:

- a ‘missing child’ may be one who is lost (separated from family), has left home on his/her own without a notice or has been abducted or kidnapped or trafficked or abandoned. Usually, parents/family/guardian will file a missing complaint in such cases.
- a ‘traced child’ will be a child who is traced by the police on the basis of a missing child report/FIR.
- a ‘found child’ is a child found by the Police on the streets/ in a market place/ at railway platforms/ at bus stops/ in trains/ at a port/ at airports/ on a bus or other public transport/ in a hospital/ during rescue operations or at any public place and/or is brought before/referred to the Police by Juvenile Justice Board (“JJB”) / Child Welfare Committees (“CWC”) / Childline/ any other NGO or any individual.

Generally stating, missing children are children who are separated from the family/guardian and may include:

- Traced Children
- Found Children
- Run away children
- Abandoned children
- Kidnapped Children
- Lost children
- Trafficked Children
- Children missing/lost/found due to accidents, disaster, calamity, and other miscellaneous reasons.
